<p>While this list of projects has been cleared for execution by AFCEC, this merely means that these projects fall within the purview of AFCEC's mission. All projected procurements are subject to revision or cancellation. Final decisions on the extent of competition, small business participation, estimated value, or any aspect of the procurement action will not be made until each procurement is initiated. The forecast data is for planning purposes only. It does not represent a pre-solicitation synopsis, does not constitute an invitation for bid or request for proposal, and is not a commitment by the government to purchase the desired products or services. Please do not contact the installations listed as these projects will be managed by the AFCEC staff.</p>
